

CG Teacher Feature: Martina Smith @ Center Grove!

Miss Martina works with the children over at our CG Site during AM care.

Martina comes in every morning, on time, and prepares herself to have a wonderful fun-filled morning with the kids. Her kind-hearted, warm, and loving personality is a key ingredient to the family over at CG. Martina takes the time to learn, and build friendships with each individual child in the program. The children adore her, and it is obvious how much she loves them right back!

Thank you, Miss Martina, for always showing patience, consistency, and kindness at the Center Grove Program! We appreciate you!
