Crunching, crinkling autumn leaves, swirling in the breeze. . .
After a successful summer, we are ready for some fall fun!

This fall break, our Honey Grove team is looking forward to providing our students with several exciting new activities, all based around their age groups. A few different things you may see during this break may include our annual HG homecoming party, fun filled fall celebrations, a honeygrove hayride, and we can't forget about our "spooky haunted house!" Experiencing fall with friends and teachers whom adore your children will make this fall break one to remember!

Rates	Members	Non-Members
