

## FAMILY OF THE MONTH

### **\*Greenwood Center\***

The Goodpasters (Ashley & Matthew, kids Dane & Caleb) ~ We love this family, they are always involved in any & every Honey Grove activity from back to school night to community events. During the summer the boys are not even enrolled but they still continue to help us out with field trip activities and donations. They truly love their children and give back whenever they can!

The Kolderup Family: The Kolderup family has been so kind to bring in books and CD's to share in their child's classroom. They also helped with the library visits to set up for our Eeyore's and Owl's Classroom this year. Mom is very involved and has chaperoned in field trips, and has shown her dedication to the HG family.

The Prenatt Family: The Prenatt's are constantly asking our Tiggers if they need anything and are so supportive throughout the center. They are very involved in their son's classroom and in his curriculum. This family is extremely friends and constantly puts a smile on our staff's face! 😊 We greatly appreciate the Prenatt's and their sacrifices as her husband is overseas for our Country!
