Monthly Notes

Hey everyone! September has been awesome; especially cooking club which has been a blast!

Just as a reminder we started a homework rotation after school in September to give everyone a chance to get some of their homework done. If your kiddo isn't doing homework the expectation is that they are reading something. Please make sure they have something to read quietly for that 20mins.

Also Tuesday running club is over (YAY!), so no more line on Tuesdays! There *is* however a new art club on Monday but that group isn't nearly as large.

Lastly the kiddos have decided that they would like to have a Halloween party at the end of October. This would entail snacks, costumes, games, and a movie. If your child would like to dress up they will have to bring their costume separately as the school doesn't allow costumes during school hours.

Account and Billing Reminders

If you need to make a change to your account or add someone to your drop off/pick up list, please go to HoneyGroveEducation.com, click on "Our Districts" on the top right corner and select "Clark Pleasant Programs." Once there, click on "Resources." Scroll down and click on "Make a Change on My Account" and proceed to make any changes.

If you have any further questions about billing, please contact Hallie Smith at Hallie@HoneyGroveEducation.com or (317) 887-5500 press 2 then 1.

Teacher Feature

Michelle Steele

My name is Ms. Michelle Steele. I have two children. One boy and one girl. My son, Brayden is a freshmen at WCHS. My daughter, Alyscia is a sixth grader at CPMS. My children keep me very busy with their tennis matches and cheer competitions; I wouldn't want it any other way though. In my free time, I like to do crafts, go shopping, drink Starbucks and hang out with family and friends.

This is my first year at GCES but have been employed through CPCS (Clark Elementary) the past five years. I am excited to be a part of Honey Grove this year!!
