

Cassie Root: Pre-K Greenwood Center Teacher

Cassie has been with Honey Grove teaching our Pre-K class since 2004 but she does more than just that. Cassie also helps in the office every morning and goes above and beyond to assist in any way she can. She is willing to share any of her supplies, books, and lesson plans she has created over the years with teachers and is extremely organized. She's also a great MOMMA and WIFE!!!
